

## Whistler Olympic Park Flooded With Skiers at Teck Regional Camp

September 19, 2013  
FOR IMMEDIATE RELEASE

(Whistler, BC) – Hollyburn Cross Country Ski Club partnered with other coast region clubs to host a popular Teck Regional Fall Camp from September 13-15<sup>th</sup> in Whistler, BC. The camp was attended by 55 athletes from the lower mainland, aged 8-18.

The bulk of the camp was spent at Whistler Olympic Park, the most ideal venue for roller-skiing and interval training. On Sunday the athletes enjoyed a long hike, which was, for some, a full traverse of Rubble Creek to Helm Creek, past Black Tusk. “The Sunday hike was definitely the camp highlight,” noted head coach Jake Weaver, “The athletes enjoyed the challenge of the 25 km run/hike... and of course the views were inspiring as well.”

Whistler Nordics will host a Teck Regional Snow Camp from December 13-15, 2013 in Whistler. For more information on this camp, or to register, please visit the club website (<http://www.whistlernordics.com/>).

Cross Country BC, the provincial sport governing body for cross-country skiing in British Columbia is a non-for-profit, club-based organization of more than 16,000 members. Cross Country BC offers programs and services to support the continuous development of cross-country skiing for all ages and abilities, from introductory experiences to international excellence. Teck Resources Ltd. is the title sponsor of Cross Country BC's Skier Development Program, thereby supporting excellence in sport and providing youth with experiences that will help them prepare for the future.
